

Press Release:

Washington DC, November 18, 2009- In a boldly worded resolution, the Trentino-South Tyrol Regional Council condemned China's Laogai. Literally translated, "Laogai: a reality that in order to be defeated must be renounced," the council offered support for the resolution in the attached document.

Should your local government be interested in passing a resolution condemning China's brutal system of forced labor camps, the Laogai, please contact us at (202) 408-8300 or at Laogai@laogai.org.

The Laogai Research Foundation is a not-for-profit organization founded by former political prisoner Harry Wu in 1992. Its mission is to gather information on and raise public awareness of the Laogai—China's extensive system of forced labor prison camps.
